The image displays a collection of technical drawings for triangular profiles. Each drawing shows the profile's geometry with dimensions for width (A), height (B), and thickness (Düse). Below each drawing is a table with the following columns: Best.-Nr. (Order No.), Gummi (Rubber), Düse (Nozzle), and sometimes an additional specification. The profiles are arranged in several rows and columns, showing a variety of sizes and materials.

Geschlossene Profile

The image displays 20 different closed profile designs, each with a technical drawing showing dimensions and a corresponding table with the following columns: Best.-Nr., Gummi, and Düse. The profiles are arranged in a grid. The first row includes a profile with dimensions 17.7, 18.3, 16, and 2, and a table with items VP4836, VP4763, and a general table with 6 columns (Best.-Nr., Gummi, A, B, C, D, Düse) and 6 rows of data. The second row shows a profile with dimensions 16, 10, 25, 5, 21, and 1.5, and a table with item VP5966. The third row features a profile with dimensions 27, 8, 35, 11, 21, 30, 4, and 19, and a table with item VP4627. The fourth row shows a profile with dimensions 9, 1.5, 10.5, 13, 4, and 10, and a table with item VP4518. The fifth row includes a profile with dimensions 9, 7, 1.5, 2.5, 15, 3.5, 5, and 10, and a table with item VP5545. The sixth row shows a profile with dimensions 16, 10, 7, and 2, and a table with item VP5970. The seventh row features a profile with dimensions 17.8, 11.7, 3.6, 4.5, 2, and 7, and a table with item VP4509. The eighth row shows a profile with dimensions 28, 18, and 4.5, and a table with item VP5862. The first table in the first row is as follows:

Best.-Nr.	Gummi	Düse
VP4836	EPDM 70	AXA
